We are still in need of a grant/donation chair. Someone to comb through the internet to find grants for the PTO.

The PTO needs new parents who are willing to commit. Many of the parents who have been volunteering for the last few years are leaving the school. The PTO would love to have new parents who are willing to donate some time to make sure these events continue.

Anyone who is currently working on a committee who needs help should feel comfortable letting the board know if they need help. The board is always willing to help make sure we don't lose events.

New
