7:00 am—1:00 pm @ SCHS**

Our Community Yard Sale will benefit the Maryland Center for Veterans Education and Training (MCVET). This non-profit organization helps homeless and struggling veterans get back on their feet through a number of different services, including housing, healthcare, education, and employment. Help us support this organization and our veterans by cleaning out your closets and selling gently used items! You can also participate by donating clothing, furnishings, electronics, and other household items. Advertising will be provided by the NHS members and South Carroll students/staff to attract all those yard sale shoppers out there. All profits will support the South Carroll National Honor Society and MCVET!

Notice: All sellers are responsible for set up, sale transactions, and clean up.
